

ZOO Digital Group

The ZOO Digital Group comprises ZOO Tech, a technology company and creators of DVD extra, and ZOO Digital Publishing, the video games publisher.

Having first established in Sheffield in 1999, the company, which has become synonymous with the success of the city's creative and digital sector, has now grown to over 100 staff. This growth has

20 Furnival Street

presented the company with numerous challenges not least that of finding appropriate premises to accommodate increasing staff numbers.

It was in December 2003 that Sheffield First for Investment were first asked to search its extensive database of available commercial property to find appropriate premises for this key employer in the city. Options were presented to ZOO and they soon centred in on their preference – 20 Furnival Street.

Sheffield First for Investment continued to be on hand to assist ZOO with their move that took place in the summer of 2004.

JobMatch have also been able to support ZOO in advising on potential recruitment options and with their training needs.
